EH...
HEY~ HEY~ BIG BROTHER FRANCE I'VE WAITED A LONG TIME. ISN'T IT ABOUT TIME YOU RETURNED THE PAINTINGS?
PUNCH!
MONA...
ALRIGHT! ITALY!
S-BIG BROTHER FRANCE! WHAT WAS THAT FOR-?
WAHHHHH! I'M SORRY!! I'M SORRY!!
DO YOU WANT TO GO TO WAR WITH BIG BROTHER RIGHT NOW?

HE'S NOT RETURNING THEM AFTER ALL THIS TIME

Paris art galleries are full of paintings and artifacts from Italy (* ∀ *)
No doubt Italy is known for their great artists

...ectly mentioned the Louvre but thinking about the galleries in France I could be applied to all right? (≧∇≦)
...first panel was saying ...e sore sore kaeshite and so we couldn't tell if it was supposed to be singular or plural–
in the end we went with "paintings"

T/N3: 2nd panel Italy must have supposedly been trying to say Mona Lisa

Hawawa! Master, the enemies are here!

During the middle ages, Italy was basically useless

[illegible] that foreign countries were pushing their political powers on [illegible]

During wars, Italy was used as a shield

Hmm... something like **Egypt's kitten-shields**

It's like France nii-chan is becoming more and more villainous

Although, Chibitalia was trying to regain his honor during the latter part of the war (∀ [illegible]

T/N4: はわわ("hawawa") up there could be seen as an expression of panic

T/N5: nii-chan = big brother... but you guys already knew that~

T/N6: Okay, so about Egypt and cats it was written as エジプトのにゃんこ盾, read as "ejiputo no nyanko [illegible]"

which literally translates to "kitten shield of Egypt"... See, yeah... dunno *shrugs*

T/N7: たて), read as "tatene" where "tate" = shield, so technically it's Shield [illegible]

but that doesn't quite sound right, right? (∀ *)
